

OPEN BUYING DAY

8 a.m – 5 p.m. | Tuesday, November 14, 2017

Help underserved youth succeed by donating to the True Value Foundation when you participate in Open Buying Day. This is an opportunity to have a one-on-one meeting with True Value® merchants and present your latest products. Your donation will also make a positive impact on the local community.

Contributions to the True Value Foundation are tax deductible. The foundation supports the Boy's & Girls Clubs of America, True Value Boys & Girls Club, and our Painting a Brighter Future® campaign.
